

Early this month, IESR celebrated its sixth anniversary! We would like to thank you for your continuous support.

**2021 Jinan-SMU-ABFER Conference on Urban and Regional Economics** and **2021 IESR Micro-Econometrics Workshop** were successfully held online.

Please check out more highlights below.

---

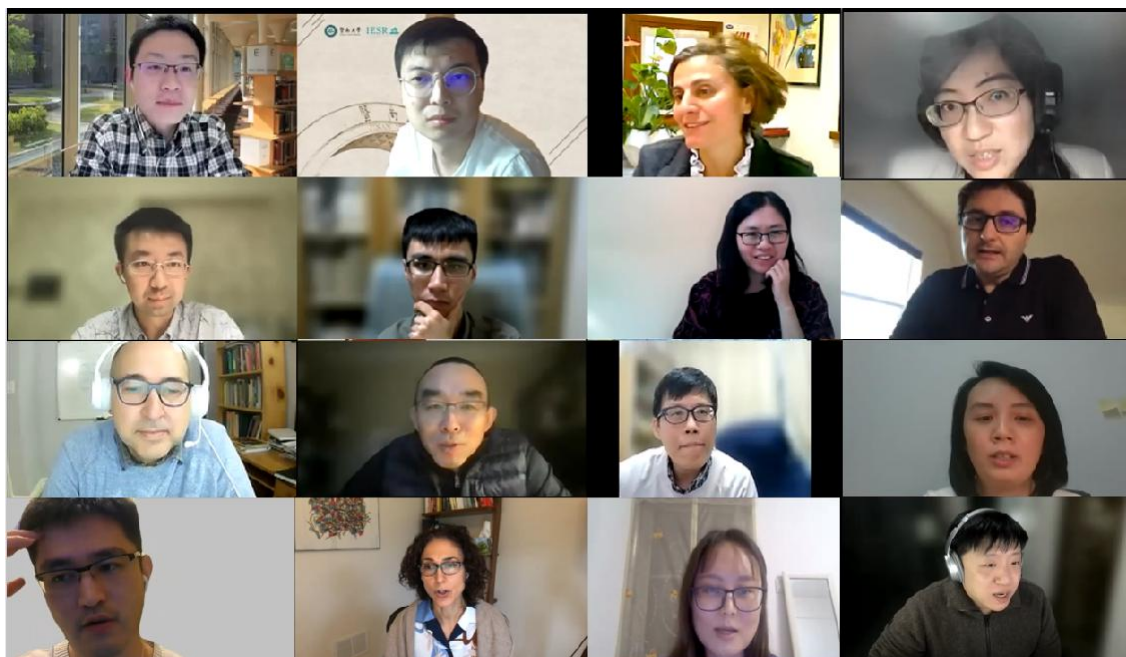

## Event | 2021 Jinan-SMU-ABFER Conference on Urban and Regional Economics

The event was organized by the [Center for Real Estate and Regional Economics](#) of IESR.

55 scholars from 37 institutions worldwide had in-depth discussions on topics such as urban development, migration, environment, land, housing transaction, place-based policies, spatial misallocation and spillovers.

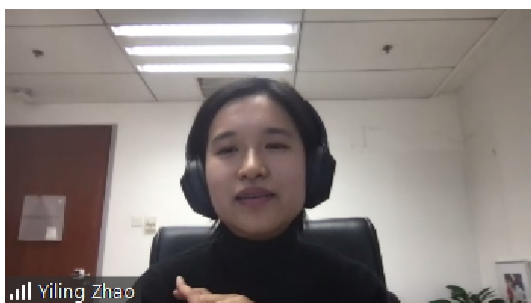

## Event | 2021 IESR Micro-Econometrics Workshop

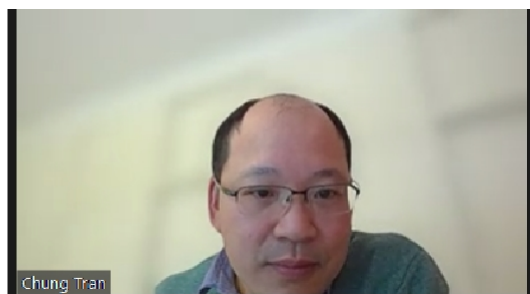

The Workshop has been organized by the [Center for Econometrics and Microdata Practice](#) since 2018.

Scholars invited to share their latest research in this year's Workshop were from institutions including Johns Hopkins University, Cornell University, Boston University, University of Toronto, City University of Hong Kong and Jinan University.
