Exchange Student, University of California, Santa Barbara	September 2008 - June 2009

Fields of Interest

Econometrics, Applied Econometrics, Labor

Working Papers

"Binary and Fractional Response Models with Continuous and Binary Endogenous Explanatory Variables" (with J.M. Wooldridge).

"A Control Function Approach in Two-step Sieve M-estimation of Binary response Models with Endogenous Explanatory Variables". R&R at *Econometric Reviews*

Publication

"On Different Approaches to Obtaining Partial Effects in Binary Response Models with Endogenous Regressors" (with J.M. Wooldridge) *Economics Letters* 134, 58-61, September 2015.

"Testing and Correcting for Endogeneity in Nonlinear Unobserved Effects Models" (with J.M. Wooldridge) *Panel Data Econometrics Volume1: Theory*.

Work in Progress

"Incentives in Transportation Share Economy" (with A. Saiz).

"Finite Sample Property of Two-Sample Two-Stage Least Square" (with C. Khawand)

Conference Presentation

Midwest Econometrics Group Meeting, St. Louis	2015
Midwest Economics Association Meeting, Minnesota	2015
Midwest Econometrics Group Meeting, University of Iowa	2014

Teaching Assistant

Graduate Econometrics, Michigan State University	Fall 2014, Spring 2015, and Fall 2015
Undergraduate Econometrics, Michigan State University	Spring 2015 and Summer 2015

Honors, Awards, & Fellowships

Dissertation Completion Fellowship, Michigan State University	2016
Red Cedar Award, Michigan State University	2014
Graduate Office Summer Research Fund, Michigan State University	2013 and 2014
Graduate Office Fellowship Funds, Michigan State University	2012
Dean's Honor, University of California, Santa Barbara	2008 and 2009
Exchange Abroad Program Fellowship, University of California, Santa Barbara	2008 and 2009
Undergraduate Research Award, Fudan University	2008
Academic Scholarship, Fudan University	2007, 2009 and 2010

Referee Service

Economics Letters, Econometric Reviews

Memberships

American Economic Association, Econometric Society
