

Wei Lin

111 B, Zhonghui Building, Jinan University
601 W. Huangpu Ave. Guangzhou, China 510632

Email: linwei@jnu.edu.cn

Employment

Assistant Professor, IESR, Jinan University September 2018 to Present
Postdoctoral Associate, MIT Center for Real Estate August 2016 - August 2018

Education

Ph.D., Economics, Michigan State University, East Lansing August 2016
—Advisor: Jeffrey M. Wooldridge
B.A., Economics, Fudan University, Shanghai, China July 2011
Exchange Student, University of California, Santa Barbara September 2008 - June 2009

Publication

“On Different Approaches to Obtaining Partial Effects in Binary Response Models with Endogenous Regressors” (with J.M. Wooldridge) *Economics Letters* 134, 58-61, September 2015.
“Testing and Correcting for Endogeneity in Nonlinear Unobserved Effects Models” (with J.M. Wooldridge) *Panel Data Econometrics Volume1: Theory*, Academic Press, 2019. 21-43.
“Unfold Beijing in a Hedonic Way” (with Z. Shi, Y. Wang, and T.H Yan) *Computational Economics*, 61(1), 317-340, 2023.
“Dietary Patterns and the Effect of Long-Term PM_{2.5} Exposure on Metabolic Syndrome among Chinese Adults: A Cross-Sectional Study” (with H. Mao, W. Wang, L. Liu, W. Huang, Y. Min, C. Wang, W. Lao, J. Pan, and K. Ju) *Environmental Research Letters*, 19, 034003. 2024.
“Screening through Investment: Evidence from the Chinese Automobile Industry” (with F. Mathewson, and J. Xiao) *Review of Industrial Organization* 64, 471-513, 2024.

Working Papers

“The Ecological Impacts of Place-Based Policies: Evidence from Special Economic Zones in China” (with J. Wu, J. Xiao, and J. Zhong)
“Family Leave Policies and Gender Inequality in Executive Positions: Evidence from Chinese Listed Firms” (with Y. Chen, K. Liu, and W. Luo)
“From Law to Norm: The Impact of One-Child Policy on Fertility Norms” (with Y. Bai, K. Liu, and J. Wu)
“Binary and Fractional Response Models with Continuous and Binary Endogenous Explanatory Variables” (with J.M. Wooldridge).
“Estimating the Generalized Varying-Coefficient Partial Linear Models with Endogeneity” (with Z. Chen and Z. Yan)
“Son Preference and Homeownership of Migrant Workers: Evidence from China” (with J. She, K. Wei, and S. Yang)

“Incentive in Transportation Share Economy” (with A. Saiz)

“A Control Function Approach in Two-Step Sieve M-estimation of Binary Response Models with Endogenous Explanatory Variables”

“Finite Sample Property of Two-Sample Two-Stage Least Squares” (with C. Khawand)

Work in Progress

“Long-Term Exposure to PM_{2.5} and Accelerated Aging in Middle-Aged and Older Adults: A Quasi-Experimental Study of Blood Biomarker from Nationwide Cohort in China” (with K. Ju et al.)

“Childhood Left-behind Experience and Adulthood Fertility of Migrants in China” (with K. Wei).

“Sharing Bike, Sharing Prosperity? The Impact of Sharing Bike on the Neighborhood Catering” (with Y. Bao)

Conference and Seminar Presentation

IESR Labor Workshop, CEMP Summer Workshop, HKU-IESR Joint Workshop	2024
IESR Brownbag Seminar, Urban Reading Group, IESR	2023
Session Chair, Econometric Society Asian Meeting, CUHK Shenzhen	2022
IESR Micro-Econometric workshop, IESR	2021
IESR Brownbag Seminar	2021
Econometric Summer Camp, IESR	2020
Econometric Society China Meeting, IESR	2019
Econometric Society Asian Meeting, IESR	2019
Brownbag Seminar, IESR	2018
Workshop for Professor Tong Li, IESR	2018
Workshop for Professor Elie Tamer, IESR	2018
Midwest Econometrics Group Meeting, St. Louis	2015
Midwest Economics Association Meeting, Minnesota	2015
Midwest Econometrics Group Meeting, University of Iowa	2014

Teaching

Instructor, Master Introductory Econometrics, IESR. Spring 2020, Fall 2020, Spring 2021, Fall 2021, Spring 2022, Fall 2022, Spring 2023, Fall 2023, Spring 2024, Fall 2024.

Teaching Assistant, Graduate Econometrics, Michigan State University Fall 2014, Spring 2015, and Fall 2015

Online Instructor, Undergraduate Econometrics, Michigan State University Summer 2015

Honors, Awards, & Fellowships

Dissertation Completion Fellowship, Michigan State University 2016

Red Cedar Award, Michigan State University 2014

Graduate Office Summer Research Fund, Michigan State University	2013 and 2014
Graduate Office Fellowship Funds, Michigan State University	2012
Dean's Honor, University of California, Santa Barbara	2008 and 2009
Exchange Abroad Program Fellowship, University of California, Santa Barbara	2008 and 2009
Undergraduate Research Award, Fudan University	2008
Academic Scholarship, Fudan University	2007, 2009 and 2010

Referee Service

Economics Letters, Econometric Reviews, Journal of Applied Econometrics (X_4), Review of Economics and Statistics, Review of Industrial Organization, China Economic Review, and China Economic Quarterly (in Chinese).

Memberships

American Economic Association, Econometric Society
